Accessing the DTA Channel Guide

There are three main display screens that present programming information, each leading to the other through an intuitive browsing experience. Get brief information about one program, move onto the bigger picture with a full TV Listing Grid or get detailed information for a selection. It's Your Choice!

On Now/On Next Banner

The On Now/On Next banner allows you to quickly toggle between what's On Now and what's On Next for each channel. Brief programming information is given for each selection.

To access, simply change the channel you are viewing or press the INFO button while watching live TV.

TV Listings Grid

This is the heart of the DTA Channel Guide, with up to 24 hours of programming data for the channel lineup associated with your cable service. The screen shows seven channels at any given time with 90 minutes of programming for each.

To access, press GUIDE while watching TV or press INFO from the On Now/On Next Banner.

Program Information Screen

Shows detailed program description information such as synopsis, rating, channel, time, series info, production year, and duration.

To access, press INFO from the TV Listings Grid.
