If you are unable to click on the meeting link, visit zoom.us and select "JOIN A MEETING" at the top.

Enter in the Meeting ID that was provided in your meeting invitation and click "Join".

## Step Two:

You're in! Make sure that "MUTE" and "STOP VIDEO" *do not* have a **RED** slash through them. You can find them in the bottom left hand corner of your screen. If there is, click on them so that everyone can hear you and see you.
