Originating Caller's Telephone Number	Originating Caller's Long-Distance Provider	Called Number	Date/Time of Call	Result of Call

Should you experience long distance issues, gather as much information as you can, including the phone numbers involved, date and time of the call, and the caller's service provider, if possible. Enter this data on the included spreadsheet and provide it to Golden West via email, mail, or fax, so it can be filed with the FCC.
