

Do Not Disturb with Override

This service allows you to designate quiet times where callers will be blocked from calling you unless they have a 4 digit PIN override code.

1. From your GW phone, dial XXX-8500 to access the Do Not Disturb with Override feature (XXX=see options below)

279-8500

745-8500

648-8500

259-8500

673-8500

364-8500

859-8500

856-8500

286-8500

867-8500

925-8500

583-8500

2. By pressing 1, you will have the following options
 - Press 1 to turn Do Not Disturb on or off
 - Press 4 To change the override code
3. 0000 is the default override code for all exchanges – the override code bypasses the Do Not Disturb service when it is activated to let a call go through

For additional information, call: 1-855-888-7777
