The Treasurer shall:

- (a) Have charge and custody of and be responsible for all funds and securities of the Co-op;
- (b) Be responsible for the receipt of and the issuance of receipts for all monies due and payable to the Co-op and for the deposit of all such monies in the name of the Co-op in such bank or banks as shall be selected in accordance with the provisions of these Bylaws; and
- (c) In general perform all the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him/her by the Board.

SECTION 8 – Manager

The Board of Directors shall have power to employ a manager, define his/her duties, fix his/her compensation and to dismiss him/her with or without cause at any time. The manager shall have charge of the business of the Association under the direction of the Board of Directors. He/she shall not be required to be a member of the Cooperative.

SECTION 9 – Bonds of Officers

The Treasurer and any other officer or agent of the Co-op charged with the responsibility for the custody of any of its funds or property shall give bond in such sum and with such surety as the Board shall determine. The Board in its discretion may also require any other officer, agent or employee of the Co-op to give bond in such amount and with such surety as it shall determine.

SECTION 10 – Compensations

The powers, duties and compensation of officers, agents and employees shall be fixed by the Board, subject to the provisions of these Bylaws with respect to compensation for directors and close relative of directors.

SECTION 11 – Reports

The officers of the Co-op shall submit at each Annual Meeting of the members reports covering the business of the Co-op for the previous fiscal year. Such reports shall set forth the condition of the Co-op at the close of such fiscal year.

ARTICLE VII – NON-PROFIT CORPORATION

SECTION 1 – Interest or Dividends on Capital Prohibited

The Co-op shall at all times be operated on a Cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Co-op on any capital furnished by its patrons.

SECTION 2 – Patronage Capital in Connection with Furnishing Communication Service

In the furnishing of communication service, the Cooperative's operations shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis the Cooperative is obliged to account on a patronage basis to all its patrons for all amounts received and receivable, both directly and indirectly from the furnishing of communication service. All such amounts (net proceeds) in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. This capital shall be distributed to the patrons as follows:

- (a) By allocation of credits into a capital account for each patron. The method of allocating such credits shall conform to generally accepted practices of telecommunications cooperatives. The specific methodology used will consider the sources of such receipts with consideration given to the measurement of both direct and indirect receipts.
- (b) The books and records of the Cooperative shall be set up and kept in such a manner that at the end of the fiscal year the amount of capital, if any, furnished by each patron is clearly reflected and credited in appropriate separate capital accounts for each activity of each patron. The Cooperative shall within a reasonable time after the close of the fiscal year, notify each patron of the amount of capital so credited to the patron's account. The individual capital accounts shall be maintained in a manner so that the capital furnished relative to the furnishing of communication services can be distinguished from the allocation of

capital derived from non-operating and other income. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so, and the patron had then furnished the Cooperative corresponding amounts for capital.

(c) All other amounts, including marketing activities, received by the Cooperative from its operations in excess of costs and expenses may, insofar as permitted by law be:

(1) used to offset any activity's losses incurred during the current or any prior fiscal year; and,

(2) to the extent not needed for that purpose, allocated to its patrons on a patronage basis, and any amount so allocated shall be included as a part of the capital credited to the accounts of patrons; or

(3) to establish permanent operating reserves, as herein provided.

(d) The total of the patrons' capital credits shall be apportioned among the several patrons on the basis of their respective patronage of this Cooperative, and may be apportioned on the basis of their respective patronage of, and the net proceeds resulting from, the operations of the various pools or departments of this Cooperative and from the various kinds, qualities, and values of products for service or equipment, provided that there shall be no distinction or discrimination between patrons who are members and patrons who are not members.

(e) In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro-rata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. Any such retirements of capital shall be at the discretion and direction of the Board as to timing, method and type of retirement and may include the retirement of capital furnished from non-operating and other income on a cycle basis different from the

retirement of capital furnished relative to communication services.

(f) Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or in part of such patron's premises served by the Cooperative unless the Board of Directors, acting under policies of general application, shall determine otherwise.

(g) Notwithstanding any other provision of these Bylaws, the Board of Directors, at its discretion, shall have the power at any time upon the death of any patron, if the legal representatives of his/her estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Directors, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby.

(h) The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article of the Bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

ARTICLE VIII – DISPOSITION OF PROPERTY

The Co-op may not sell, mortgage, lease, or otherwise dispose of or encumber all of its property unless such sale, mortgage, lease, or other disposition or encumbrance is authorized at a meeting of the members thereof by the affirmative vote of not less than three-fourths of all of the members of the Co-op, and unless the notice of such proposed sale, mortgage, lease, or other disposition or encumbrance shall have been contained in the notice of the meeting, provided, however, that notwithstanding anything herein contained, the Board of Directors of

the Co-op without authorization by the members thereof, shall have full power and authority to authorize the execution and delivery of a mortgage or mortgages or a deed or deeds of trust upon, or the pledging or encumbering of any or all of the property, assets, rights, privileges, licenses, franchises, and permits of the Co-op whether acquired or to be acquired, and wherever situated, as well as the revenues and disposition of income therefrom, all upon such terms and conditions as the Board shall determine, to secure any indebtedness of the Co-op to the United States of America or any instrumentality or agency thereof; provided further that the Board may upon the authorization of a majority of those members of the Co-op present at a meeting of the members thereof, sell, lease, or otherwise dispose of all or a substantial portion of its property to another coop or foreign corporation doing business in this state pursuant to the Act under which this Co-op is incorporated.

SECTION 2 – Check, Drafts, Etc.

All checks, drafts, or other order for the payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Co-op shall be signed by such officer or officers, agent or agents, employee or employees of the Co-op and in such manner as shall from time to time be determined by resolution of the Board.

SECTION 3 – Deposits

All funds of the Co-op shall be deposited from time to time to the credit of the Co-op in such bank or banks as the Board may select.

SECTION 4 – Fiscal Year

The fiscal year of the Cooperative shall begin on the first day of January of each year and shall end on the thirty-first day of December in the same year.

ARTICLE XI – MISCELLANEOUS

SECTION 1 – Membership in Other Organizations

The Cooperative may become a member of or purchase stock in any other cooperative association complying with the cooperative law of the State of South Dakota, upon the affirmative vote of a majority of the Board.

SECTION 2 – Waiver of Notice

Any member or director may waive in writing any notice of a meeting required to be given by these Bylaws. The attendance of a member or director at any meeting shall constitute a waiver of notice of such meetings by such member or director, except in case a member or director shall attend a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

SECTION 3 – Rules and Regulations

The Board shall have power to make and adopt such rules and regulations, not inconsistent with law, the Articles of Incorporation or these Bylaws, as it may deem advisable for the management of the business and affairs of the Cooperative.

SECTION 4 – Accounting System and Reports

The Board shall cause to be established and maintained a complete accounting system which, among other things, and subject to applicable laws, rules and regulations of any regulatory body, shall conform to such accounting system as may from time to time be designated by the Administrator of RUS of the United States of America. The Board shall, also, after the close of each fiscal year, cause to be made a full and complete audit of the accounts, books and financial condition of the Cooperative as of the end of such fiscal year. Such reports shall be submitted to the members at the next following Annual Meeting.
