Select the Features That Fit Your Lifestyle

Telemarketing Call Screening (TCS)

TCS intercepts calls and announces you do not accept calls from telemarketers. It remembers accepted callers so they always get through. TCS permits you to add or block numbers to your allowed caller list – **\$1.50** per month

Automatic Callback

After you get a busy signal, this feature notices when the line is free and places the call again – **\$1.50** per month

Automatic Recall

Didn't get to the phone before the caller hung up? This service identifies the last caller, places the missed call, and/or notifies you when the busy line becomes free – **\$1.50** per month

Call Forward Busy

This service automatically rolls the call over to another number when the called line is busy – **\$1.50** per month

Call Forward No Answer

Calls roll over to a second phone number if they aren't answered after a specified number of rings – **\$1.50** per month

Call Transfer

Transfer calls to another location or extension. Three-Way Calling is required – **\$1.50** per month

Distinctive Ringing

Designate incoming calls from certain phone numbers to have a unique ring – **\$1.50** per month

Do Not Disturb with Override Code

Designate a "Quiet Time". Callers will receive a message that you are not currently accepting calls. Callers who know your code can enter it to ring through to you – **\$1.50** per month

Find Me Service

You no longer have to sit by the phone and wait for it to ring. 'Find Me' can ring as many as six phones in search for you. The various phone numbers can be programmed to ring at the same time or set-up to first ring the home phone and work number followed by a delay before going on to ring the cell phone and other numbers – **\$3.50** per month

Help Line

Automatically calls a predesignated number or emergency service if the phone is left off the hook for a preset amount of time – **\$1.50** per month

Non-verified Account Code

Track phone expenses easily with keyed in account numbers for outgoing calls – **\$4.00** per month

Per Call Blocking

Simply dial *67 before making a call and your phone number and name will remain hidden from Caller ID – **No Charge**

Remote Call Forwarding

From a separate location, set-up your office or home phone to forward your calls to another number – **\$1.50** per month

Selective Call Acceptance

Only specific phone numbers can ring through. Great for folks "on-call" who only want calls from the office – **\$1.50** per month

Calling Feature prices are subject to change without prior notification

Selective Call Rejection

Screen out incoming calls from particular phone numbers – 10 numbers **\$1.50** per month | 30 numbers **\$3.00** per month

Speed Calling

Program important phone numbers and make calls quickly by dialing the one or two digit Speed Calling code for the party you wish to reach – 8 codes **\$1.50** per month | 30 codes **\$2.00** per month

Toll Control

You can set a budget limit for out-going long distance calls or prepay a set amount. A warning tone sounds when nearing the end of your monthly limit. Toll calls will not connect if the predetermined "time bank" is empty. – **\$2.00** per month

Value Line

Two directory numbers with distinctive rings and call waiting tones can be assigned to one existing line. Great for a home office or teens – **\$4.00** per month

Verified Account Code

Without a predefined account number, toll calls do not go through. Phone bills are organized by account numbers. Up to 5 account codes – **\$4.00** per month
