CatchUp TV GUIDE

What is CatchUp TV?

CatchUp TV (also referred to as Play from Start TV) is a feature automatically included with your DVR service that allows you to go back 72 hours to catch the shows you may have missed. CatchUp is not available on all channels and programs.

How do I use CatchUp TV?

Press the GUIDE button on your remote and use the LEFT arrow to locate the show you want to watch. Press OK to select the show you want to watch. If CatchUp is available you can press OK on the Play From Start icon.

Note: Shows not available for CatchUp will be grayed out on the guide.

What is Restart?

Restart is a feature automatically included with your DVR service that allows you to restart an in-progress show from the beginning. Restart is not available on all channels and programs.

How do I use Restart?

To see if Restart is available for the show/channel you are watching press  **OK**. If Restart is available, you can press **OK** on the **Restart TV** icon.

If I Restart a show, will I miss the beginning of the show following it?

The Restart feature will give you the option of restarting the next program (if available) or switching to  **Live TV**.
