

Blocking

Prevents your name and number from being displayed to the person receiving the call.

How to use:

1. Pick up the handset and listen for the dial tone.
2. Press *67.
3. Dial the number you are calling as usual.
4. The person you've called will not be able to see your name or phone number displayed on their phone display screen. Instead, a "P" or "private" will be displayed.

Note:

- You must dial *67 before each call you place. Otherwise, your name and phone number will be released to the person receiving your call.
- This service is provided to all customers at no charge.
